To whom it may concern:

As the Chairman of USATH, I fully endorse Snap Sports, their products, and their customer service.

Over the last 4 years we have done several events and projects together. The partnership has allowed USATH to grow both in popularity and organizationally. We have had the opportunity to partner with other modular floor companies, but we chose Snap Sports and hope to continue that relationship. Their products have outperformed our expectations and we prefer their surfacing over others in the industry. Working with them has been a great experience, from their ownership and management team to their customer service.

Once again, we fully endorse Snap Sports and their products.

Sincerely,

Jeffrey R. Utz  
Chairman of the Board/President
